

IMPORTANT: READ CAREFULLY. LICENSE/PURCHASE/USE OF TXONE NETWORKS SOFTWARE AND APPLIANCES BY BUSINESS, GOVERNMENTAL, AND OTHER LEGAL ENTITIES IS SUBJECT TO THE FOLLOWING LEGAL TERMS AND CONDITIONS. A DIFFERENT TXONE NETWORKS AGREEMENT GOVERNS THE LICENSE/PURCHASE/USE OF TXONE NETWORKS PRODUCTS THAT ARE PUBLISHED BY TXONE NETWORKS FOR NON-BUSINESS USE, PERSONAL USE, HOME USE, AND/OR CONSUMER USE.

**TXONE NETWORKS GLOBAL BUSINESS SOFTWARE
AND/OR APPLIANCE AGREEMENT**

Trial and Paid Use: This Business Software and Appliance Agreement supersedes all prior versions published by TXOne Networks with respect to transactions consummated on or after the Publication Date

Last Updated: January 16, 2026

Version: English

IF COMPANY AND TXONE NETWORKS HAVE ENTERED INTO A MANUAL/ELECTRONIC SIGNATURE-BEARING CORPORATE LICENSE AGREEMENT (OR OTHER SIMILAR DOCUMENT) WITH RESPECT TO THE LICENSE/SALE OF ANY TXONE NETWORKS SOFTWARE, APPLIANCE, OR MAINTENANCE, THEN SUCH AGREEMENT WILL GOVERN AND CONTROL THE POSSESSION/USE OF ANY PRODUCTS LICENSED OR SOLD TO COMPANY THEREUNDER AND THIS AGREEMENT WILL HAVE NO EFFECT WITH RESPECT THERETO. OTHERWISE, THE TERMS AND CONDITIONS OF THIS AGREEMENT SHALL GOVERN AND CONTROL COMPANY'S LICENSE/PURCHASE, POSSESSION, AND USE OF ALL PRODUCTS ACQUIRED HEREUNDER. UNLESS PROHIBITED UNDER MANDATORY APPLICABLE LAW WITHOUT THE POSSIBILITY OF WRITTEN WAIVER, IF COMPANY IS PRESENTED A VERSION OF TXONE NETWORKS' TERMS AND CONDITIONS OF AGREEMENT (SUCH AS "SHRINK-WRAP" OR "CLICK- WRAP" EULA OR SIMILAR DOCUMENT) THAT IS DATED (EITHER EFFECTIVE DATE OR PUBLISHED DATE) PRIOR TO THE PUBLICATION DATE HEREOF (EACH A "PRIOR VERSION") THAT MAY APPEAR AND REQUIRE COMPANY'S ACCEPTANCE DURING THE REGISTRATION/INSTALLATION/DEPLOYMENT OF SUCH PRODUCT, THEN COMPANY AGREES THAT ITS ACCEPTANCE OF SUCH PRIOR VERSION SHALL BE DEEMED TO BE ACCEPTANCE OF THIS AGREEMENT FOR ALL PURPOSES AND SUCH PRIOR VERSION WILL BE MERGED INTO AND SUPERSEDED BY THIS AGREEMENT. Any additional, conflicting, or different terms or conditions proposed by Company in any Company-issued document (such as an Order), are hereby rejected by TXOne Networks and excluded herefrom.

1. Entire Agreement; Not a Master Purchase Agreement; Agreed Definitions.

1.1 Entire Agreement. This Agreement is binding on Company and TXOne Networks when referenced or incorporated in a Quote from TXOne Networks or a Reseller that directs Company to the website at which this Agreement is posted and Company places an Order for Products in response to such Quote that is accepted by TXOne Networks by issuance of a License Certificate to Company for the Ordered Products. If no such Quote is provided to Company but nevertheless Company places an Order for Products with TXOne Networks or a Reseller, the Parties agree that such Order, if accepted by TXOne Networks by issuance of a License Certificate to Company for the Ordered Products, is licensed/sold on the terms and subject to the conditions set forth in this Agreement (including all policies, procedures, and websites referenced herein) and the issued License Certificate that is incorporated herein by reference and made a part of this Agreement for all purposes. In the case of an OEM business model, when an end user purchases and uses the OEM products incorporated with TXOne Products from TXOne Authorized Distributors or partners, the end user shall be deemed as the 'Company' under this Agreement, and the Agreement shall be binding between the Company and TXOne. The Parties agree that this Agreement (including the Standard Contractual Clauses and Data Processing Addendum that form a part hereof and set forth certain of the responsibilities of the Parties with respect to GDPR Data) is the final, complete, and exclusive statement of the agreement of the Parties with respect to the subject matter hereof, and any prior written agreements; representations, statements, or advertising of TXOne Networks whether oral or written; course of dealing between the Parties or usage of the trade; Orders; or descriptions that are not specifically set forth in this Agreement with respect to the subject matter hereof, are all merged into and superseded by this Agreement. In entering into this Agreement, each Party represents and warrants to the other Party that it is NOT relying on any extrinsic representation, warranty, covenant, promise, forbearance, or inducement of any kind or nature that is or was made by any person that is not specifically set forth in this Agreement. By downloading, installing, deploying, and/or using any TXOne Networks Product obtained by Company for which a TXOne Networks License Certificate is issued by TXOne Networks to Company, Company ratifies and confirms its agreement to this Agreement (including the Standard Contractual Clauses, Data Processing Addendum, and the License Certificate) as the sole and exclusive terms, conditions, limitations, and exclusions governing the purchase/license of such Products. Direct questions, legal notices, and concerns regarding this Agreement to: **legallaffair@txone.com**

1.2 Not a Master Purchase Agreement. Company acknowledges that this is NOT a master purchase agreement for subsequent purchases of Products, but rather, this Agreement only applies to each instant purchase/license of Products by Company. Each subsequent procurement/license of Products by Company will be made subject to and conditioned on the agreement of the Parties to the then-current version of this Agreement unless otherwise agreed in a writing signed by the Parties.

1.3 Procurement Under This Agreement. Company may secure Products under this Agreement by one of three methods:

a. Procurement Through a Reseller. Typically, Company will secure a Quote for Products from a Reseller of TXOne Networks Products. Based on such Quote, Orders by Company will be sent to the Reseller at such prices, discounts, and on invoice and payment terms as agreed solely by Company and its Reseller. Company understands that if an Order is placed with a Reseller, the Reseller can place an order with TXOne Networks for Products (either directly through TXOne Networks or through a TXOne Networks' distributor) as requested by Company, but such Order is and will be subject to acceptance or rejection by TXOne Networks or TXOne Networks' distributor, as applicable, at their discretion. Based on documents submitted by the

Reseller, TXOne Networks will reject or accept the Order, which acceptance is signified by TXOne Networks' issuance of its License Certificate. Except for the matters agreed in the first sentence of this paragraph between the Reseller and Company, all other rights, obligations, terms, conditions, limitations, and exclusions regarding Products that are Ordered by Company are exclusively set forth in this Agreement. All payments by Company for Products will be made directly to the Reseller and never to TXOne Networks. Company acknowledges that each Reseller is an independent contractor and in no event or circumstance will any Reseller now or hereafter be deemed a joint venturer, partner, fiduciary, or agent of TXOne Networks and NO Reseller has been or will be authorized or permitted to have a right to create any binding obligation, responsibility, duty, liability, warranty, guaranty, or any otherwise contract for or act on behalf of TXOne Networks or waive or renounce any right of TXOne Networks or modify any right, obligation, or agreement of Company set forth in this Agreement.

b. Direct Purchase from TXOne Networks. Company may (if permitted by TXOne Networks) secure a Quote directly from, and place an Order directly with, TXOne Networks based on such Quote, which Order if accepted by TXOne Networks will be governed solely by the terms, conditions, limitations, and exclusions set forth in this Agreement (including the License Certificate). All prices and payment terms will be as set forth in the Quote and all payments for Products will be made by Company directly to TXOne Networks.

c. Procurement on a Store. Company may purchase a right to access and use (in accordance with Section 2.1(b)) certain Products sold on and hosted by an Online Store Provider. In each such instance, Product is sold by such Online Store Provider at prices determined by TXOne Networks on payment terms determined by the Online Store Provider, but such Products will be subject to and governed by this Agreement with such other requirements as such Online Store Provider may impose in connection with Company's use of its Store and its services.

1.4 Agreed Definitions. In addition to initially capitalized definitions, descriptions, clarifications, and agreements that may be set forth elsewhere in this Agreement (that include all policies, procedures, and TXOne Networks websites made a part hereof) that are referenced/incorporated herein, the initially capitalized definitions, descriptions, clarifications, and agreements shall have the meanings set forth in this Section 1.4 (each is an "**Agreed Definition**") and all Agreed Definitions shall be equally applicable to the singular, plural, and derivative forms.

"**Affiliate**" means as to a Party, each person that is Controlled by a Party, that Controls such Party, or that is under common Control with such Party. "**Control**" means the direct or indirect ownership of more than fifty percent (50%) of the equity shares or interests (or the maximum equity ownership permitted by Applicable Law if such Party is not permitted to own more than 50%) entitled to vote for the directors or other management of such Party or the equivalent, but only for as long as such ownership relationship continues to exist. Upon request, each Party agrees to confirm in writing to the other Party, the status of any or all Affiliates.

"**Appliance**" means a hardware-based appliance designed and provided by TXOne Networks as a Product that inseparably combines Hardware and Integrated Software to form a single purpose, unified device that provides capabilities, features, and functionalities as set forth in its Documentation. The Hardware portion of an Appliance may be sold, leased, rented, or loaned hereunder, whereas the Integrated Software portion of an Appliance is only licensed and never sold.

"**Applicable Laws**" means all mandatory national, federal, provincial, state, municipal, and local laws, statutes, acts, ordinances, regulations, rules, codes, treaties, executive orders, supervisory requirements,

official directives, circulars, opinions, interpretive letters, and other official releases in the Territory that are applicable from time-to-time to a Party's performance of its obligations and/or exercise of its rights hereunder, including, without limitation, data protection/privacy laws; corrupt activities/illegal payment laws; economic/trade sanctions rules and regulations; and export/import laws.

"Communications" shall have the meaning set forth in Section 7.

"Company" is the corporation, company, or other legal entity (either public or private) that is listed on the License Certificate for such Products as being the licensee/purchaser. In the event of conflict between an Order and a License Certificate, the License Certificate shall control.

"Company Data" means any data and information that is: (a) automatically forwarded to TXOne Networks- owned or –controlled servers by Company's use of any licensed Software or other Products; or (b) otherwise intentionally provided by Company to TXOne Networks.

"Company's Configuration" shall have the meaning set forth in Section 2.7.2.

"Computer" means a Virtual Machine or physical device that accepts information in digital or similar form and manipulates it for a specific result based on a sequence of instructions, including without limitation mainframes, Servers, workstations, desktop computers, laptops, tablets, mobile devices, telecommunication devices, Internet- connected devices, and hardware products capable of operating a wide variety of productivity, entertainment, business, security, and/or other software applications.

"Confidential Information" shall have the meaning set forth in Section 8.

"Contractor" is an independent contractor that provides services in support of Company and/or its Affiliates with respect to any Products provided hereunder pursuant to a written agreement between such Contractor and Company that imposes an obligation (among other obligations) on such Contractor to fully comply with this Agreement to the extent of access to, possession of, and/or use of any Product by such Contractor.

"Controlled Technology" shall have the meaning set forth in Section 15.

"Data Processing Addendum" or **"Addendum"** means TXOne Networks' Data Processing Addendum (at <https://www.txone.com/legal/data-processing-addendum/>) that is applicable if and to the extent TXOne Networks acts as a 'processor' or 'sub-processor' (as defined in the GDPR) for Company of GDPR Data. The Parties agree that the Data Processing Addendum is incorporated herein and made a part hereof for all purposes on the terms and subject to the conditions and limitations set forth herein and therein.

"Delivery Date," "Delivered," and "Delivery." The Delivery Date shall be: (a) for Software, it is the date that Software is made available by TXOne Networks for electronic download by Company, and/or (b) for Hardware, the date of actual shipment to Company, but some Appliances may be subject to different delivery terms as notified by TXOne Networks. All Products will be deemed for all purposes to be Delivered in the country of TXOne Networks' place of business stated in the License Certificate.

"Different Terms" shall have the meaning set forth in Section 3.

"Documentation" means the printed, electronic, and online technical documentation and operating instructions generally made available by TXOne Networks for Products provided for the purpose of supporting

Company's Internal Business Use of such Products as authorized in Section 2.1.

"End User" means any individual or entity (directly or indirectly through another user) that: (a) accesses or uses a Product licensed hereunder for Company's benefit in accordance with this Agreement such as Company's Administrator(s), technical/support resources, or Company's employees/contractors whose access/use is in furtherance of its Internal Business Use; or (b) otherwise accesses or uses such Product.

"GDPR" means the European Union General Data Protection Regulation with mandatory effect May 25, 2018 that is only applicable to Personal Data that is subject to, regulated by, and protected under the GDPR and shall also include additional laws, rules, and regulations now or hereafter promulgated by the European Union, any Member State, or other governmental authority under or supplemental to the GDPR, as the same may be amended, supplemented or replaced from time to time; and 'controller,' 'processor,' and 'data subject' shall have the meanings respectively assigned to them in the GDPR.

"GDPR Data" shall mean 'personal data' (as defined in Art. 4) under the GDPR that is made available or supplied by Company to TXOne Networks pursuant to this Agreement, if and only to the extent that the GDPR applies to TXOne Networks with respect to its processing of such Personal Data.

"Global Privacy Notice" means TXOne Networks Global Privacy Notice published from time-to-time at or as may be requested by Company from legallaffair@txone.com.

"Government Agency" shall have the meaning set forth in Section 16.

"Hardware" means the hardware product that Integrated Software is embedded in or preloaded on by TXOne Networks and sold as an Appliance and all Documentation therefor.

"Instance" means an image of software on a physical device or Virtual Machine that is created by executing the software's setup or install procedure or by duplicating an existing Instance, and thereafter, that Instance is "run" by executing one or more of its instructions. Once running, an Instance is running (whether or not instructions continue to be executed) until it is removed from memory.

"Integrated Software" means the object code version of any TXOne Networks-published/branded applications software that is embedded in or preloaded on Hardware by TXOne Networks to form an Appliance. Integrated Software is licensed hereunder (and no right, title, or interest therein is sold) for a Subscription Period that is no longer than the life of the Appliance and is not re-deployable to replacement Hardware except as may be specifically permitted herein.

"Internal Business Use" means the internal business access and use of Product licensed hereunder solely by and for the direct benefit of Company specifically in connection with the security, protection, and/or integrity of Company's systems, networks, devices, documents, emails, and/or other Company Data.

"IP Claim" means any suit, cause of action, or other legal proceeding filed/brought against Company by a third party in the courts of law, equity, or otherwise ONLY in the Territory, that asserts that Software licensed hereunder directly infringes any patent, copyright, and/or trademark of such third party.

"License Certificate" means the formal confirmation of Company's entitlement to the Products, including specific details such as scope, quantity, term, and applicable usage rights, issued by TXOne Networks. The License Certificate may be displayed within TXOne Networks' system (the "System") or provided in written electronic form (e.g., PDF) as the official document of record. (i) System Display as Primary: The System display shall prevail at all times, provided that the System's integrity is maintained. (ii) Limited Exception (official document of record/Welcome Kit): The written electronic form provided by TXOne Networks shall only prevail if the party can reasonably demonstrate that the System has been compromised, hacked, or otherwise tampered with. For the avoidance of doubt, any license certificate or related documentation not issued by TXOne Networks, including any validity period stated therein, shall be of no legal effect, and the valid registration time and records maintained in TXOne Networks 'System shall

be the sole and final authoritative reference for determination purposes.

“Licensed Capacity” is defined (includes quantity, licensing metric, and term of license) as and notified in the License Certificate when Standalone Software is licensed hereunder, the number of licenses of each type of Standalone Software that Company purchases from time-to-time and is then-validly licensed to Company under this Agreement, based upon TXOne Networks’ licensing measurement for each particular Standalone Software. The applicable licensing metrics/measurements (which may include, without limitation, measurement by Computer/CPU, Virtual Machine, device, node, Instance, Server, and user, as applicable) available to Company for Standalone Software licensed hereunder will be determined by TXOne Networks from time-to-time for each Product.

“Licensing Entity” shall have the meaning set forth in Section 21.1.

“Non-Production Environment” means Company’s use of an Appliance and/or Software exclusively in a laboratory, test, or research environment (and not in Company’s production environment/systems) that does not access or make use of live production data at any time or for any reason.

“Online Store Provider” means an entity that hosts an online marketplace or store (each a **“Store”**) that offers for sale: (1) such entity’s infrastructure (IaaS) and/or platform (PaaS) hosting services by separate agreement and a separately stated service fee with the customer; together with (2) the software applications of third party publishers (such as TXOne Networks) that are offered and resold (for a separately stated royalty/fee) by such service provider entity for deployment on its infrastructure and/or platform, but licensed to the customer by the publisher for a Subscription Period. With respect to the access and use of any TXOne Networks Standalone Software that is procured by Company on an Online Store Provider’s store in accordance with Section 2.1(b), the Parties agree that the Online Store Provider is and will be solely responsible to Company for its infrastructure and/or platform hosting services and TXOne Networks is solely responsible to Company for the Standalone Software and the Updating thereof. Unless stated to the contrary in the Store Purchase Exceptions published from time-to-time at www.txone.com, the Parties agree that the Licensing Entity for any Standalone Software purchased from a Store and licensed under Section 2.1(b) is TXOne Networks as set forth in Section 21.1 and not as may otherwise be determined by application and operation of Section 21 hereof.

“Open Source Software” means: (1) each and every third party software code/component that is licensed/distributed under a license agreement approved by the Open Source Initiative or similar open source or freeware license (and not this Agreement); and (2) is embedded or included in a Product licensed hereunder; including any of the following Open Source Initiative-approved license agreements: (a) GNU's General Public License (GPL), Lesser/Library GPL (LGPL), and GNU Affero Public License; (b) The Artistic License (i.e., PERL); (c) the Mozilla Public License; (d) the Netscape Public License; (e) the Berkeley software design (BSD license including Free BSD or BSD-style license; (f) the Sun Community Source License (SCSL); (g) an Open Source Foundation License (e.g., CDE and Motif UNIX user interfaces); (h) the Apache Server license; or (i) the MIT License. For the avoidance of doubt, each individual, third party software code/component of Open Source Software has its own copyright and its own license agreement.

“Optional Features” means optional (as may be configured, restricted, limited, and/or disabled by Company in creation of Company’s Configuration) capabilities, features, and functionality (such as the Smart Protection Network and/or Web Reputation Services, each as is more fully described in its Documentation) of a Product licensed hereunder that, among other things, collects and forwards certain Company Data (some of which may be Personal Data) for processing that is necessary to permit TXOne Networks to, among other things, provide the capabilities, features, and functionality of such Product, including those that are optional,

that Company deems necessary or appropriate for its business needs in determining Company's Configuration.

"Order" means a procurement document placed by Company (with a Reseller or TXOne Networks, as the case may be) for the procurement of Products to be supplied only in accordance with and subject to the provisions of this Agreement. All Orders are Customer's irrevocable commitment to purchase and pay for the Products stated in the Order and are subject to direct or indirect (where the Order is placed with a Reseller) acceptance by TXOne Networks at its sole discretion, which acceptance occurs and is signified by TXOne Networks' issuance of a License Certificate to Company for such Products or other TXOne Networks performance (the **"Order Effective Date"**).

"Party" means only each of the persons entering into this Agreement and all other persons such as Affiliates and Contractors of each Party are third parties without rights or benefits hereunder.

"Personal Data" means one or more data elements relating to an identified or identifiable natural person that can be used to identify, directly or indirectly, such natural person to the extent such data is regulated, protected, restricted, or controlled under Applicable Laws (such as, for example, the GDPR) for the protection of that natural person's privacy and related rights.

"Perpetual Period" means with respect to a license granted for Standalone Software that extends for an indefinite period of time, subject to earlier termination in accordance herewith. For clarification, the license term and support term will be granted separately and individually under this Agreement. Any license granted for an indefinite period of time will not automatically extend the support term to the same extent.

"Products" means and includes Software and Appliances (including Hardware), but does NOT include: (a) TXOne Networks **"software-as-a-service"** and **"cloud-based"** service offerings; or (b) other premium, enhanced, managed, technical, or engineering services or support that may be provided by TXOne Networks pursuant to a separate agreement or statement of work for additional compensation. TXOne Networks specifically reserves the right from time to time in its discretion and without incurring any liability to Company: to modify the design, specifications, as well as functionality of any Product; and/or end-of-life (in accordance with TXOne Networks published policies) such Product.

"Quote(s)" means one or more documents issued by TXOne Networks or its Reseller (as the case may be) to Company specifying the Software and/or Appliance that Company seeks to obtain, the related pricing, payment terms, and Licensed Capacity and sufficient other information to complete the transaction. Each Quote shall incorporate this Agreement (whether specifically, by reference, or by publication) as the sole basis and governing document for any procurement by Company based on the Quote.

"Reseller" means a reseller, system integrator, independent software vendor, VAR, OEM or other channel partner that is authorized by TXOne Networks or its distributor to secure orders for the license/sale of Products to end users, including Company.

"Separate Modules" means any plug-in or module for Software that TXOne Networks determines to be new or a different product/features/functionality that TXOne Networks makes generally available to the public by license for new or additional consideration. Separate Modules are not included with Updates to existing Software.

"Server" means a computer or device (and deployed software) on a network that provides functionality, management, and/or support for other devices and/or other network resources, such as a web

server, file server, a database server, or a print server.

“**Software**” means the object code version of Integrated Software, Standalone Software, and Test Software and includes all Documentation and Updates thereto made available to and purchased by Company. In no event or circumstance will a source code version of any Software be offered, licensed, or otherwise provided hereunder to Company.

“**Software Limited Warranty**” shall have the meaning set forth in Section 9.1.

“**Standalone Software**” means the object code version of any applications software (and Updates thereto) that is published by and is generally made available for license from TXOne Networks hereunder that does not include any Hardware, nor is it licensed by TXOne Networks as part of an Appliance. Standalone Software also includes Instances thereof that are licensed for deployment in a Virtual Machine environment.

“**Standard Contractual Clauses**” or “**Clauses**” or sometimes also referred to the “EU Model Clauses” means the Standard Contractual Clauses (processors) published by the European Commission, which Standard Contractual Clauses and the Data Processing Addendum may be requested by Company via legalaffair@txone.com. The Parties agree that the Standard Contractual Clauses are incorporated herein and made a part hereof for all purposes on the terms and subject to the conditions and limitations set forth herein and in the Data Processing Addendum, and in the event such Clauses are in conflict with anything contained herein or the Addendum, such Clauses shall govern and control. The Parties further agree that if a subsequent replacement version of the Clauses is published by the European Commission, such replacement version will automatically replace the existing Clauses and apply *mutatis mutandis*; *provided, however*, should TXOne Networks at any time put in place other measures to ensure that the transfer is in compliance with the GDPR (such as becoming certified under Privacy Shield), the Parties agree that the version of the Clauses then-in-effect between the Parties will automatically terminate and be superseded by such other measures when those measures take effect.

“**Store**” shall have the meaning as set forth within the definition of Online Store Provider above.

“**Subscription Period**” means, only if available from TXOne Networks for a specific version of Software, the limited term/increment of time (i.e., not a Perpetual Period) that the Software is licensed for use by Company. Such Subscription Period may be offered by the week, month, or year (based on TXOne product line, with TXOne’s written consent for each subscription, may not exceed maximum FIVE (5) years), during which period, the licensee has the right to use the Software in accordance herewith. After expiration of the Subscription Period, a new Subscription Period or Perpetual Period license must be purchased in order to continue the use of the expired Software. Integrated Software is always licensed for the limited Subscription Period that expires and terminates at the end of such Subscription Period, unless such license is earlier terminated in accordance with this Agreement such as when the unit of Appliance on which such Software was originally installed is no longer deployed and used in accordance with the Appliance’s Documentation.

“**Term**” shall have the meaning set forth in Section 20.

“**Territory**” means worldwide, subject always to and limited by the terms, conditions, waivers, limitations, disclaimers, and exclusions in this Agreement, and present and future Applicable Laws that applies to the Products and/or the performance of either Party hereunder that prohibits or restricts Product sale, use, or access: (a) to certain technology/goods/services; (b) to specified countries; and/or (c) by defined persons.

“**Test Period**” shall have the meaning set forth in Section 5.1.

“**Test Software**” shall have the meaning set forth in Section 5.1.

“**Test Use**” or a “**Test**” shall have the meaning set forth in Section 5.1.

“**TXOne Networks**” means in each instance that Products are acquired under this Agreement, the Licensing Entity that provides Products in such instance as determined by application of Section 21.

“**Virtual Machine**” means a software container, implementation, or emulation of a Computer (*i.e.*, a physical device) that runs its own operating system and executes application programs like a physical Computer.

“**Updates**” means and includes if and when generally made available by TXOne Networks with respect to Software licensed hereunder, new object code versions (including patches) of such Software that includes: (a) improvement of features/functionality that is used to identify, detect, and block computer viruses, spam, spyware, malicious code, websites, or other forms of computer abuse generally categorized as malware and other forms of content identification or categorization and/or (b) corrections, modifications, revisions, patches, new definition files, maintenance updates, bug fixes and/or other enhancements to, or for use in connection with, the Software; ; *provided, however*, the term “Updates” specifically excludes Separate Modules and does not apply to the Hardware component of any Appliance. The access to and use of certain new versions, features, and/or functionality that TXOne Networks may offer to make available to Company from time-to-time as an Update may be (at TXOne Networks’ determination) subject to and contingent upon Company’s prior agreement to additional terms and conditions that are applicable to such new versions, features, and/or functionality. Updates that are released by TXOne Networks from time-to-time replace or patch and will become part of previously licensed copies of the updated Software and will not increase the units/Licensed Capacity of Software licensed hereunder, or otherwise create additional copies or licenses of such Software, nor does any Update create any new or additional warranty for the Software it Updates.

2. Software License; Right to Copy; Limitations

2.1 Software License. Products are protected by patent, copyright, trade secret, and/or other worldwide intellectual property Applicable Laws. On the terms and subject to Company’s continuous compliance with the conditions set forth in this Agreement (including the License Certificate) and on the condition precedent of Company making payment as directed in Section 1.3, TXOne Networks hereby grants only to Company solely for the Internal Business Use of Company (and any of its Affiliates and/or Contractors as it permits in accordance with Section 2.5), a non-exclusive, non-transferable (except as may be a required for Standalone Software licenses in the European Union under mandatory Applicable Laws that do not permit a written waiver or limitation), non-assignable (by operation of law or otherwise), and revocable (in accordance herewith) right and license (with no right to sublicense) in the Territory to: (a) install or have installed (on Computers owned by or under the control of Company through written agreement with a Contractor), access, and use Standalone Software only as permitted in its Documentation, each of the foregoing for the stated Subscription Period (unless the License Certificate states that such Standalone Software is being licensed for a Perpetual Period) and in such Licensed Capacity as is listed in the License Certificate; (b) access and utilize (only as permitted in its Documentation) for a Subscription Period for the Licensed Capacity purchased, Standalone Software licensed hereunder that was purchased on a Store to be hosted (for separate service fee) by that Online Store Provider on its infrastructure/platform under a separate service agreement between Online Store Provider and Company; (c) use Integrated Software (only as permitted in its Documentation) forming a part of any Appliance purchased hereunder only for such limited time (not for a Perpetual Period) as it forms a part of the unit of Appliance that it is originally shipped by TXOne Networks to Company; and/or (d) with respect to any Software that offers TXOne Networks cloud-hosted functionality and/or Optional Features that have been selected in Company’s Configuration, Company may enable, access, and/or utilize such cloud-hosted functionality and/or Optional Features portion (if any) in accordance with applicable Documentation

only: (i) during a Subscription Period for Software licensed for that limited term; or (ii) during the first year of newly-Licensed Capacity of such Software licensed for a Perpetual Period.

2.2 Right to Copy. If the nature of Product is applicable and expressly allowed by TXOne, with respect to Standalone Software licensed under Section 2.1(a) only, Company shall have the right to reproduce, without additional cost, a commercially reasonable number of copies of the Standalone Software (in an unmodified form) and its Documentation that is licensed to Company only for backup/failover, archive, and/or internal training purposes, *provided* that Company reproduces on or in such copies any and all of the copyright, trademark, patent, and other proprietary notices or markings that appear on the original copy of the Standalone Software (and Documentation). No copy of Standalone Software will be utilized for any external or internal production purposes (other than backup/failover testing or archive retrieval) except for such time as the production copy of such Standalone Software is not being utilized for production use.

2.3 Limitations/Conditions. Except as may be specifically granted hereunder by license to Company in this Section 2 or to the extent prohibited by or inconsistent with any Different Terms licensing Open Source Software to Company, Company agrees that it is not licensed hereunder to and as a condition hereunder, shall not (or otherwise allow third parties to): (a) modify, adapt, alter, translate, or create derivative works (as defined under Applicable Laws) from any part of any Software (or its Documentation) or authorize others to undertake any of the foregoing prohibited acts; (b) merge or embed any Software with or in other software, sub-routines, or other binary code segments; (c) reverse engineer, reverse compile, decompile, or disassemble any Product or object code thereof, or otherwise attempt to decrypt, decode or discover the source code or underlying ideas or algorithms of any Software or part thereof, including but not limited to sub-routines, functions, libraries or other binary code segments of Software except and only to the minimum extent required to be permitted with respect to interoperability under mandatory Applicable Law without the possibility of waiver; (d) **distribute, license, sublicense, lease, sell, rent, loan, mortgage, encumber, auction, or otherwise transfer or provide a copy of any Software (or components thereof including any license or access key or authorization) to any third party;** (e) publish, provide, or otherwise make available to any third party, any competitive, performance, or benchmark tests or analysis relating to the Software without the written permission of TXOne Networks which may be withheld or conditioned at the sole discretion of TXOne Networks; (f) deploy or use Software or Appliance in any manner other than as expressly permitted in its Documentation; (g) **permit any third party to use or benefit from the use or functionality of any Product (alone or in combination with any other product or service) via, for instance, third party outsourcing facility or service, service bureau arrangement, time sharing basis, or as part of any other hosted or platform service that permits either access to or use of any Products, whether on a specific fee basis or otherwise;** or (h) attempt to do any of the foregoing.

2.4 Use Exclusions. Unless expressed by TXOne in a written form, Products are not fault-tolerant/fail-safe and are not designed, intended, suitable, or licensed hereunder for use, and may not be used, in situations or environments requiring extra safety features or functionality for fail-safe or fault-tolerant performance, such as: (a) the design, construction, operation, or maintenance of any nuclear facility, civil infrastructure such as power plants and waterworks, manufacturing facilities, or industrial plants such as chemical refineries; (b) aircraft navigation, communications, or operating systems; (c) air traffic control systems; (d) operation of life-support or life-critical medical equipment; or (e) any other equipment or systems in which the circumvention, unavailability, inaccuracy, ineffectiveness, or failure of the Product could lead or contribute to death, personal injury, or physical property/environmental damage, and TXOne Networks specifically excludes any right or license for any such use and disclaims any express or implied

warranty/guarantee of fitness for any such use. Only as may be specifically set forth in the Documentation therefor, TXOne Networks notifies Company that no Product has been submitted for compliance testing, certification, or approval for any use by any governmental agency and/or a self-regulatory, standard-setting, or other industry/product-specific consensus organization.

2.5 Affiliate and/or Contractor Use; BYOL.

2.5.1 Affiliate and/or Contractor Use. For no more than the Licensed Capacity purchased by or on behalf of Company as evidenced in a License Certificate, TXOne Networks grants Company the right to authorize and permit (for no additional fees or amounts due TXOne Networks other than the fees already payable with respect to licenses purchased by Company): (a) Company's Affiliates to access, deploy, and/or utilize Products only in connection such Affiliate's Internal Business Use for so long as such person remains an Affiliate of Company; and (b) Contractors to Company and/or its Affiliates to access, install, deploy, and/or utilize Products only in connection with the provision of business process support, technical support, or outsourcing services to and solely for the use and benefit of Company and/or Affiliates in connection with its and their Internal Business Use and not for the benefit of any third party or such Contractor, all of the foregoing on the terms and subject to the limitations and conditions of this Agreement. Each Affiliate and Contractor having access to, possession of, and/or utilization of any Product will be considered an authorized user of Company under this Agreement with respect to such Product and NOT a separate or additional licensee or otherwise having any rights or deemed to be a third-party beneficiary hereunder in any event or circumstance. Company agrees at all times to require, ensure, and enforce compliance with the grants, terms, conditions, and limitations set forth in this Agreement as well as the Data Processing Addendum and Standard Contractual Clauses where applicable by Company's Affiliates (including, without limitation, those applicable to the Affiliate's GDPR Data that may be exported outside of the EEA to TXOne Networks by the Affiliate's use of any Product licensed to Company) and/or Contractors having access to Products procured hereunder and, further, Company agrees that it shall at all times be and remain legally and financially responsible to TXOne Networks for the compliance and non-compliance with, or breach of, this Agreement and the Standard the Data Processing Addendum/Contractual Clauses where applicable caused by any Affiliate or Contractor.

2.5.2 BYOL. In addition to the rights and obligations of Company in connection with Contractor use in Section 2.5.1, if the nature of Product is applicable, the Parties agree that all or any portion of the Licensed Capacity of Standalone Software licensed for a Perpetual Period (unless otherwise authorized in the applicable Documentation as being available for Products that are licensed for a prepaid Subscription Period) pursuant to Section 2.1(a) may be deployed and hosted on the infrastructure/platform of a Contractor in a Bring-Your-Own-License (BYOL) environment for the sole access, use, and benefit of Company and/or its Affiliates in accordance herewith. In partial consideration for TXOne Networks granting the foregoing rights without the payment of additional monies, Company agrees that TXOne Networks will have no responsibility to Company in any event or circumstance for, or liability or otherwise subject to or liable for any damages whatsoever to Company with respect to, the actions or inactions of any such Contractor or breach of its agreement with Company.

2.6 Ownership; Compliance Tools. The Parties understand and agree that all Software is licensed and not sold hereunder. The Parties agree that, as between the Parties, all Software and its Documentation, and all worldwide intellectual property rights therein or related thereto, are the exclusive property of TXOne Networks, its Affiliates, and/or its or their licensors/suppliers. All rights in and to Software not expressly granted to Company in this Agreement are reserved by TXOne Networks and Company will have no other or different rights (implied, by estoppel, or otherwise) or privileges with respect to any Software. Nothing in this

Agreement will be deemed to grant, by implication, estoppel, or otherwise, a license under any of TXOne Networks' existing or future patents or other intellectual property rights. TXOne Networks reserves the right to take any and all reasonable steps to prevent unauthorized access to, and use of, Software by any person. Company acknowledges and agrees that TXOne Networks may utilize and deploy in connection with any or all Products: (a) registration or license keys or authorization codes that are required for activation and/or renewal of each or all copies or use of a Product; and/or (b) other compliance tools, processes, procedures, and /or controls to ensure that Company has purchased full entitlement for Products it has deployed.

2.7 Use of Company Data.

2.7.1 Company Data Provided to TXOne Networks; GDPR Data. Company understands and agrees that the installation and/or use of each Product will require that Company provide or make available Company Data (may including any GDPR Data and/or Personal Data) to TXOne Networks. Company may: (a) as and to the extent stated or permitted in the applicable Documentation for a specific Product, elect to set the Company Configuration (as discussed further in Section 2.7.2) of a Product to automatically forward (without human command or intervention) certain Company Data (including any GDPR Data and/or Personal Data) to TXOne Networks-hosted or -controlled servers (for example, by enabling certain Optional Features of a Product); and/or (b) intentionally provide certain Company Data (which may also be GDPR Data and/or Personal Data) to TXOne Networks in connection with Product registration, activation and/or deployment/redeployment of a Product. Company authorizes TXOne Networks to utilize Company Data (that may also be GDPR Data and/or Personal Data) for the effective delivery of the features, functionality, and benefits of TXOne Networks' Products and other services to Company as well as to further its understanding of, and improve, the usability, capabilities, and effectiveness of TXOne Networks' Products and other services for Company and other customers and business partners of TXOne Networks. For information on how TXOne Networks utilizes Personal Data comprised in Company Data, please see the Global Privacy Notice.

By entering into this Agreement, each of Company and TXOne Networks acknowledges and agrees that it is also entering into and agreeing to be bound by: (1) the Data Processing Addendum; and (2) the Standard Contractual Clauses, it being further agreed that each of the Addendum and Clauses shall only apply, on the terms and subject to the conditions and limitations set forth herein and therein, if and to the extent that TXOne Networks acts as a processor or subprocessor for GDPR Data (but not other Company Data) that Company (and its Affiliates that have been authorized to access, deploy, and/or utilize Products pursuant to Section 2.5) provides or makes available to TXOne Networks hereunder. If any Affiliates of Company utilize any Products, Company hereby enters into and agrees to be bound by the Data Processing Addendum and the Standard Contractual Clauses for itself and on behalf of each such Affiliate, and Company represents and warrants to TXOne Networks that Company is duly authorized, and Company and all such Affiliates have each taken, all necessary action to do so validly.

2.7.2 Company's Configuration of Optional Features. Company acknowledges and agrees that selection (during activation/initial deployment and at all times thereafter) and use of Optional Features in each Product is solely Company's responsibility in connection with the creation of Company's Configuration of each Product and assuring that Company's Configuration conforms to Company's requirements, policies, and procedures regarding any processing of Company Data (including any GDPR Data and/or Personal Data) and complies with all Applicable Laws in each jurisdiction to which Company's processing of any Company Data may be subject (including any GDPR Data and/or Personal Data) and/or from which Company is accessing and utilizing an Optional Feature of such Product. Therefore, Company agrees to: (1) review the capabilities, features, and functionality of the Optional Features in the Documentation thereof; and (2) configure, restrict,

limit, and/or disable each Optional Feature in order to cause its Company Data to be utilized in a manner that meets Company's specific needs and Applicable Laws (each Product as configured by or on behalf Company from time-to-time is herein referred to as "**Company's Configuration**"). Except for Optional Features and permissions and administrative selections described in the Documentation, Company understands that each Product is a standard off-the-shelf software or hardware-based appliance, and no additional or different instructions or configurations are available to Company for such Product.

2.8 Security Acknowledgement. Due to the continual development of new techniques for intruding upon and attacking networks, systems, and/or Computers, TXOne Networks does not represent, warrant or guarantee:

(1) that Products will detect, block, or completely remove, or clean any or all applications, routines, and files that are malicious, fraudulent or that Company does not use or want; or (2) that any Product or any data, equipment, system or network on which a Product is used (or protects) will be free of vulnerability to intrusion or attack. Company agrees that the success of security efforts and the operation and protection of its Computers, networks, and data are dependent on factors solely under Company's control and responsibility, including, but not limited to: (a) the design, implementation, deployment, and use of hardware and software security tools in a coordinated effort to manage security threats; (b) the selection, implementation, and enforcement of appropriate internal security policies, procedures and controls regarding access, security, encryption, use, and transmission of data; (c) development of, and ongoing enforcement of, processes and procedures for the backup and recovery of any system, software, database, and any stored data; and (d) diligently and promptly downloading and installing all Updates to Products made available to Company.

3. Open-Source Software. The Software may come bundled or otherwise be distributed with Open-Source Software that is subject solely to the agreement terms, conditions, limitations, and disclaimers of the specific license (each "**Different Terms**") under which such Opens Source Software is redistributed to Company by TXOne Networks and NOT this Agreement. Different Terms applicable to any Open-Source Software redistributed in any Software provided hereunder will be identified by TXOne Networks in the Documentation for, and/or in a "Read Me" or an "About" file in, the Software. OPEN-SOURCESOFTWARE IS PROVIDED BY TXONE NETWORKS "AS IS, WITH ALL FAULTS, AS AVAILABLE" WITHOUT (AND TXONE NETWORKS SPECIFICALLY DISCLAIMS) ANY GUARANTEE, CONDITION, OR WARRANTY (EXPRESS, IMPLIED, OR OTHERWISE) OF ANY KIND OR NATURE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE, AND/OR NON- INFRINGEMENT. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, AS IT RELATES TO ANY AND ALL CLAIMS ARISING OUT OF OR IN CONNECTION WITH OPEN SOURCE SOFTWARE, TXONE NETWORKS SHALL HAVE NO LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, HOWSOEVER CAUSED AND/OR OTHERWISE BASED ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OF OPEN SOURCE SOFTWARE, EVEN IF TXONE NETWORKS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

4. Applicable Laws.

To the extent applicable to Company's performance of its obligations and/or exercise of its rights hereunder (including without limitation in relation to Company's and its Affiliates' (and its and their Contractors') use

and/or configuration of any Product), Company represents (on an ongoing basis) and warrants to TXOne Networks and agrees that Company and its Affiliates' (and its and their Contractors') will: (1) comply with all Applicable Laws (including, without limitation, the GDPR if and to the extent applicable) and will not use or configure any Products or give any instructions to TXOne Networks which would or could infringe, violate, or otherwise not be in compliance with any Applicable Laws or could cause TXOne Networks to do so; and (2) identify, procure, and maintain any permits, certificates, approvals, consents, and inspections that may be required or advisable in order to comply with Applicable Laws with respect hereto. If there is any failure to comply with or breach of this Agreement arising out of or related to this Section, Company will promptly (at no cost TXOne Networks) do all things and take all actions as may be necessary or appropriate to cure and correct any breach or non-compliance with any Applicable Laws.

5. Test/Evaluation of Appliances and/or Software.

5.1 Test/Evaluation. If Standalone Software or Integrated Software is provided to Company under this Agreement that has been identified by TXOne Networks as "Evaluation," "Proof-of-Concept," "Trial," or "Test" Software (each a "**Test Software**"), then the provisions of this Section 5 shall apply thereto and shall supersede any conflicting term or condition of this Agreement. In each of the foregoing instances, Company is granted a royalty-free, non-transferable, limited license to install the Test Software on Computers located in the country of Delivery and owned (unless an Appliance is provided by TXOne Networks in connection with Test Use) by Company and only use the Test Software for evaluation of such Test Software in a Non-Production Environment (a "**Test Use**" or a "**Test**") that is limited to thirty (30) days from the date the Test Software is Delivered to Company (or on the date that an Appliance is shipped to Company by TXOne Networks for a Test) unless otherwise agreed in writing by TXOne Networks (the "**Test Period**"). Sections 2.1, 2.2, and 2.5 of this Agreement do not apply to Test Software, but Sections 2.3, 2.4, and 2.6 do apply to Test Software. During the Test Period, Company may be able to receive web or email based technical support in the country where Company is located, but otherwise support is not generally available for Test Software or Appliances.

5.2 Exclusion; Limitation of Liability for Test Software. TEST SOFTWARE AND ANY APPLIANCE MAY CONTAIN ERRORS OR OTHER PROBLEMS THAT COULD CAUSE SYSTEM OR OTHER FAILURES AND DATA LOSS. CONSEQUENTLY, TEST SOFTWARE IS PROVIDED TO COMPANY "AS IS, WITH ALL FAULTS." TXONE NETWORKS SPECIFICALLY DISCLAIMS AND EXCLUDES ANY WARRANTY, CONDITION, GUARANTEE, AND/OR LIABILITY TO COMPANY OF ANY KIND OR NATURE WITH RESPECT TO TEST SOFTWARE AND ANY APPLIANCE ON WHICH THE TEST SOFTWARE IS DEPLOYED. WHERE LEGAL LIABILITY CANNOT BE EXCLUDED BY THIS DISCLAIMER, BUT MAY BE LIMITED, TXONE NETWORKS' LIABILITY AND THAT OF ITS SUPPLIERS/LICENSORS/RESELLERS UNDER THIS AGREEMENT RELATED TO TEST SOFTWARE AND ANY APPLIANCE ON WHICH THE TEST SOFTWARE IS DEPLOYED, SHALL BE LIMITED IN THE AGREEGATE TO THE SUM OF FIVE HUNDRED DOLLARS (USD\$500.00) OR THE EQUIVALENT IN LOCAL CURRENCY. Any information about the Test Software gathered from its access or use shall be used solely by Company for the test/evaluation and such information shall not be provided to any third party. Notwithstanding anything contained herein, each Party has the right to terminate any Test Use and the license herein granted at any time with or without reason with five (5) days prior written notice to the other Party. Upon expiration of the Test Period or earlier termination as set forth in this Section 5.2, Company agrees to automatically (and without notice or request from TXOne Networks) immediately stop using the Test Software and uninstall, delete, and irretrievably destroy all copies of the Test Software and

Documentation including those that may be included in any backup or archive files and shall promptly confirm same to TXOne Networks in writing.

6. Records; Audit.

During the Term and for two (2) years thereafter, Company agrees to retain and make available to TXOne Networks accurate and complete records and other system information sufficient to provide verification of the Licensed Capacity of each Product licensed and Company's utilization of Products is and has consistently been in compliance with this Agreement. With at least twenty (20) days prior written notice, TXOne Networks shall have the right to cause an audit (by an internationally recognized audit firm) to be conducted no more frequently than once each calendar year. If an audit reveals any deployment or use of the Products that is in excess of the Licensed Capacity or is otherwise out of compliance with this Agreement, then Company agrees to promptly correct such non-compliance. If the nature of Product is applicable, the Licensed Capacity for any unlicensed or excess utilization of all Products audited hereunder is greater than, in the aggregate, five percent (5%) of the actual Licensed Capacity or licensed use for Products purchased by Company, Company agrees to reimburse TXOne Networks for its reasonable costs incurred in performing the audit.

7. Consent to Electronic and Other Communications and Notices. Company agrees that TXOne Networks may send Company required legal notices and other communications about Products (including Updates), other and/or new TXOne Networks products and services, special offers and pricing or other similar information, customer surveys, and other requests for feedback (collectively "**Communications**"). TXOne Networks may provide Communications via (among other methods): (a) in-person contacts by TXOne Networks and/or Reseller personnel; (b) in-Product notices or email to registered email addresses of named Company contacts; and/or (c) posted Communications on its Websites. With respect to email notices, any such email notice to Company will be sent by TXOne Networks to the account administrator(s) named by Company during registration. Company is responsible for ensuring that the email address for the Company's account administrator(s) is accurate and current. Any email notice that TXOne Networks sends to the then-current email address will be effective when sent, whether or not Company actually receives the email. By accepting this Agreement, Company consents to receive all Communications through these means.

8. Confidentiality/Non-Disclosure. Each Party hereto acknowledges that by reason of its relationship with the other Party hereunder, it may have access to confidential information and materials concerning the other Party's business, technology, and/or products that is confidential to the other Party ("**Confidential Information**"). Each Party's Confidential Information is of substantial value to the Party, which value could be impaired if such information was disclosed to third parties or used in violation of this Agreement. Written or other tangible Confidential Information must at the time of disclosure be identified and labeled as Confidential Information belonging to the disclosing Party. When disclosed orally or visually, Confidential Information must be identified as confidential at the time of the disclosure, with subsequent confirmation in writing within fifteen (15) days after disclosure. Each Party agrees that it will not use in any way for its own account or the account of any third party, such Confidential Information, except as authorized under this Agreement, and will protect Confidential Information at least to the same extent as it protects its own Confidential Information and to the same extent that a reasonable person would protect such Confidential Information. Neither Party may use the other Party's Confidential Information except to perform its duties or exercise its rights under this Agreement. The Confidential Information restrictions will not apply to

Confidential Information that is (a) already known to the receiving Party at the time of access hereunder; (b) is or becomes publicly available through no wrongful act of the receiving Party, (c) independently developed by the receiving Party without benefit of the disclosing Party's Confidential Information; (d) has been rightfully received from a third party not under obligation of confidentiality; (e) disclosed in any legal proceeding arising from or in connection with this Agreement; or (f) required to be disclosed by law, provided the Party compelled to disclose the Confidential Information provides the Party owning the Confidential Information with prior written notice of disclosure (only if legally permissible) adequate for the owning Party to take reasonable action to prevent such disclosure. Unless otherwise agreed to by both Parties, upon termination of this Agreement or an applicable Addendum, each Party will return the other Party's Confidential Information. **In the event that the Parties hereto have previously entered into a non-disclosure or confidentiality agreement that is still in effect on the Order Effective Date of this Agreement, then the Parties hereto agree that such prior agreement is hereby merged into and superseded by this Agreement ONLY with respect to the subject matter hereof and the transactions undertaken pursuant hereto.**

9. Limited Warranty – Software.

9.1 Limited Warranty. TXOne Networks warrants to Company only that on the initial Delivery Date of any Software licensed under this Agreement and for FOURTEEN (14) days after the Delivery Date therefor, that such Software when installed on compliant/compatible hardware and only as permitted in and in accordance with its Documentation, will substantially conform to its Documentation (the “**Software Limited Warranty**”). Any replacement of non-conforming Software will be warranted for the remainder of its original Software Limited Warranty period. In the event that any Software does not comply with the foregoing warranty and such non-compliance is notified to TXOne Networks within the warranty period, and if TXOne Networks is unable to bring any Software into conformity with the Software Limited Warranty after using commercially reasonable efforts, either Company or TXOne Networks may (at the discretion of each) immediately terminate this Agreement for convenience (by giving written notice no later than ten (10) days after the end of the Software Limited Warranty Period) only as to the non- conforming Software. In the event the license is terminated as aforesaid, the license granted to Company to such Software shall immediately terminate. Upon receipt of Company's certification that it has irretrievably destroyed such terminated Software, TXOne Networks shall refund to Company all fees paid by Company for the affected Software.

9.2 Warranty Exclusions. The Software Limited Warranty provided in this Section 9 does not apply to and shall be void: (a) in the event of failure of any Software arising or resulting from improper installation or any modification, alteration, or addition thereto, or any problem or error in the operating system software with which the Software is installed and is designed to operate; (b) if any problem or error in the Software has resulted from improper use, misapplication or misconfiguration, or the use of the Software with other programs or services that have similar functions or features which are incompatible with the Software; (c) if the Software is licensed as Test Software for which TXOne Networks does not charge a royalty or license fee; or (d) if TXOne Networks does not receive notice of a non-conformity within the applicable warranty period.

9.3 Exclusive Remedy. The Parties agree that the rights, obligations, and remedies of the Parties in this Section 9 are in lieu and satisfaction of any right of acceptance/rejection of any Software that Company may have under Applicable Law and Company hereby waives and renounces any right of acceptance/rejection of all Software, it being understood that Company is relying upon its rights under this Section 9. The Parties agree that the warranties and remedies with respect to Software set forth in this Section 9 shall constitute TXOne Networks' sole and exclusive obligation and liability and Company's sole and exclusive right and remedy for

the breach of or Software non-conformance with the Software Limited Warranty herein granted for any Software. COMPANY UNDERSTANDS AND AGREES THAT TXONE NETWORKS CANNOT, AND DOES NOT HEREIN, PROVIDE ANY WARRANTY, GUARANTEE, CONDITION, OR ASSURANCE THAT THE DEPLOYMENT/USE OF ANY SOFTWARE (EITHER BY ITSELF OR IN COMBINATION WITH OTHER TXONE NETWORKS PRODUCTS) WILL GUARANTEE/ASSURE COMPLETE/PERFECT PROTECTION FROM AND AGAINST ALL PRESENT AND FUTURE SECURITY THREATS TO COMPANY'S NETWORKS, SYSTEMS, DEVICES, AND/OR DATA AND NOTHING HEREIN THIS AGREEMENT SHALL BE DEEMED TO IMPLY SUCH A WARRANTY, GUARANTEE, CONDITION, OR ASSURANCE.

9.4 Disclaimer of All Other Conditions, Guarantees, and Warranties. EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 9, COMPANY AGREES THAT TXONE NETWORKS PROVIDES SOFTWARE "AS AVAILABLE" AND "AS IS, WITH ALL FAULTS" AND WITHOUT ANY OTHER WARRANTY, CONDITION, UNDERTAKING, OR GUARANTEE OF ANY KIND. TXONE NETWORKS (ON BEHALF OF ITSELF AND ITS SUPPLIERS (BOTH HARDWARE AND SOFTWARE)/LICENSORS/RESELLERS) EXPRESSLY DISCLAIMS ANY GUARANTEES, CONDITIONS AND WARRANTIES (WHETHER STATUTORY, EXPRESS OR IMPLIED) ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN TRADE, OR OTHERWISE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF: MERCHANTABILITY; FITNESS FOR A PARTICULAR OR GENERAL PURPOSE; TITLE; SATISFACTORY QUALITY; NON-INFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS; ABILITY TO ACHIEVE A PARTICULAR RESULT; OR OTHERWISE ARISING FROM A STATUTE, CODE, CUSTOM, USAGE OR TRADE PRACTICE, COURSE OF DEALING OR PERFORMANCE, OR THE PARTIES' CONDUCT OR COMMUNICATIONS WITH ONE ANOTHER; OR ANY WARRANTY AGAINST INTERFERENCE WITH COMPANY'S QUIET ENJOYMENT OF ANY SOFTWARE. COMPANY UNDERSTANDS AND AGREES THAT TXONE NETWORKS DOES NOT WARRANT OR GUARANTEE THAT: (a) SOFTWARE WILL BE CONTINUOUSLY AVAILABLE OR USE THEREOF UNINTERRUPTED; (b) THE FUNCTIONS AND FEATURES CONTAINED IN SOFTWARE WILL MEET THE REQUIREMENTS OF COMPANY OR THAT SOFTWARE WILL SATISFY ANY PARTICULAR BUSINESS, TECHNOLOGICAL, SERVICE, SECURITY, OR OTHER NEEDS OR REQUIREMENTS OF COMPANY; (c) SOFTWARE, UPDATES THERETO, OR MAINTENANCE THEREOF ARE FREE OF DEFECTS, PROBLEMS, BUGS, AND ERRORS OR THAT ALL DEFECTS, PROBLEMS, BUGS OR ERRORS WILL BE DETECTED OR CORRECTED; (d) SOFTWARE WILL DETECT ONLY, ANY, OR ALL SECURITY OR MALICIOUS CODE THREATS; (e) THE SOFTWARE WILL OPERATE OR PERFORM IN AN ENVIRONMENT IN WHICH, PRIOR TO OR AT THE TIME OF INSTALLATION, THE OPERATING SYSTEM, FIRMWARE, OR NETWORK HARDWARE HAS BEEN COMPROMISED SUCH THAT A THIRD PARTY HAS ACHIEVED PERSISTENT ADMINISTRATIVE CONTROL, THEREBY RENDERING THE SOFTWARE'S STANDARD SECURITY FUNCTIONS INEFFECTIVE OR PREVENTING THE SOFTWARE FROM PERFORMING IN ACCORDANCE WITH ITS DOCUMENTATION; OR (f) USE OF SOFTWARE AND UPDATES WILL KEEP COMPANY'S NETWORKS OR COMPUTER SYSTEMS AND DEVICES FREE FROM ALL VIRUSES OR OTHER MALICIOUS/UNWANTED CONTENT OR SAFE FROM INTRUSIONS OR OTHER SECURITY ATTACKS/BREACHES.

10. Exclusions from and Limitation of Liability; Maximum Liability.

10.1 Exclusions from Liability. IN NO EVENT OR CIRCUMSTANCE AND UNDER NO LEGAL THEORY, WHETHER IN TORT (INCLUDING NEGLIGENCE), CONTRACT, UNDER ANY CIVIL CODE, AND/OR ANY OTHER LEGAL OR EQUITABLE THEORY, SHALL TXONE NETWORKS, ITS AFFILIATES, OR ITS OR THEIR SUPPLIERS (BOTH HARDWARE AND SOFTWARE)/LICENSORS/RESELLERS, BE LIABLE TO COMPANY OR ITS AFFILIATES OR CONTRACTORS UNDER THIS AGREEMENT OR IN CONNECTION WITH ITS SUBJECT MATTER FOR ANY CLAIMS, CAUSES OF ACTION, EXPENSES, LOSSES, OR DAMAGES ARISING FROM OR RELATED TO: LOSS OF USE OF ANY NETWORKS, SYSTEMS, SOFTWARE, HARDWARE, COMPUTERS, OR DEVICES; COMPROMISE, LOSS, OR CORRUPTION OF DATA; LOST OR ANTICIPATED BUSINESS REVENUE; FAILURE TO REALIZE EXPECTED SAVINGS; ANY THIRD PARTY CLAIM AGAINST COMPANY; REDUCTION IN REPUTATION, OR GOODWILL; PROCUREMENT OF SUBSTITUTE GOODS, SOFTWARE OR SERVICES; LOSS OF BUSINESS OPPORTUNITY OR ANTICIPATED SAVINGS; OR OTHERWISE FOR ANY INCIDENTAL, PUNITIVE, EXEMPLARY, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING FROM OR RELATING TO THIS AGREEMENT, TXONE NETWORKS' (OR ITS AFFILIATES) PERFORMANCE UNDER THIS AGREEMENT, OR ANY PRODUCT, UPDATES, AND/OR MAINTENANCE, WHETHER OR NOT FORESEEABLE, EVEN IF THE EXCLUSIVE REMEDIES PROVIDED BY THIS AGREEMENT FAIL OF THEIR ESSENTIAL PURPOSE AND EVEN IF TXONE NETWORKS AND/OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OR PROBABILITY OF SUCH DAMAGES.

IF COMPANY IS IN THE EUROPEAN ECONOMIC AREA, REFERENCES TO "INCIDENTAL, PUNITIVE, EXEMPLARY, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES" SHALL ALSO MEAN ANY LOSSES OR DAMAGES WHICH: (a) WERE NOT REASONABLY FORESEEABLE BY BOTH PARTIES; (b) WERE KNOWN TO COMPANY BUT NOT TO TXONE NETWORKS; AND/OR (c) WERE REASONABLY FORESEEABLE BY BOTH PARTIES BUT COULD HAVE BEEN PREVENTED BY COMPANY SUCH AS, FOR EXAMPLE, LOSSES CAUSED BY VIRUSES, MALWARE, OR OTHER MALICIOUS PROGRAMS, OR LOSS OF OR DAMAGE TO COMPANY DATA.

10.2 Maximum Liability. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, BUT SUBJECT TO SECTION 10.3, WITH RESPECT TO THIS AGREEMENT AND THE SUBJECT MATTER HEREOF OR TXONE NETWORKS' PERFORMANCE HEREUNDER, IN NO EVENT OR CIRCUMSTANCE AND UNDER NO LEGAL THEORY, WHETHER BASED ON CONTRACT; EXPRESS OR IMPLIED OR STATUTORY WARRANTY, CONDITION OR GUARANTEE; MISREPRESENTATION; TORT (INCLUDING NEGLIGENCE); UNDER ANY CIVIL CODE; AND/OR ANY OTHER OR EQUITABLE THEORY LEGAL THEORY, WILL TXONE NETWORKS' LIABILITY TO COMPANY EXCEED IN THE AGGREGATE FOR ALL CLAIMS (AND NOT PER INCIDENT OR PER CLAIMANT) AND/OR CAUSES OF ACTION UNDER THIS AGREEMENT, THE TOTAL AMOUNT OF LICENSE FEES AND OTHER AMOUNTS PAID OR PAYABLE BY COMPANY FOR THE PRODUCT GIVING RISE TO SUCH CLAIM DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT OR CIRCUMSTANCE FIRST GIVING RISE TO A CLAIM. (FOR THE AVOIDANCE OF DOUBT, THE FOREGOING LIMITATION IS WITHOUT PREJUDICE TO ANY LOWER LIMITS OTHERWISE APPLICABLE UNDER THIS AGREEMENT.)

10.3 Unenforceability. Nothing herein purports to limit TXOne networks, its affiliates, licensors, and/or suppliers' liability to the extent or in a manner that would be impermissible, unenforceable, or void under the governing law.

10.4 Basis of the Bargain. Each Party recognizes and agrees that the waivers, warranty limitations, as well as disclaimers and exclusions from and limitations of liability and/or remedies in this Agreement are a material and essential basis of this Agreement; reflect a reasonable allocation of risk between the Parties; are fair, reasonable, and a fundamental part of this agreement; and each has been taken into account and reflected in determining the consideration to be given by each Party under this Agreement and in the decision by each Party to enter into this Agreement. The Parties acknowledge and agree that absent any of such waivers, disclaimers, exclusions, and/or limitations of liability/remedies, the provisions of this Agreement, including the economic terms, would be substantially different, or in the alternative, this Agreement would not have been consummated.

11. Intellectual Property Indemnity.

11.1 IP Claim Indemnity. TXOne Networks (at its cost) will defend ONLY Company from each IP Claim and indemnify Company from the resulting costs and damages with respect to each such IP Claim finally awarded against Company ONLY that are specifically attributable to such IP Claim or those amounts agreed to by TXOne Networks in a monetary settlement of such IP Claim, subject always to the conditions, qualifications and limitations in this Section 11. No settlement of any IP Claim will be made by Company (and TXOne Networks will have no responsibility or obligation hereunder or otherwise therefor) without TXOne Networks' express written consent, which may be withheld at its sole and absolute discretion. The obligation of TXOne Networks under this Section 11 for any IP Claim is subject to and conditioned on Company giving TXOne Networks: (a) prompt written notice of any IP Claim (but in any event notice in sufficient time for TXOne Networks to respond without prejudice to its position), provided that a failure to provide notice shall only relieve TXOne Networks of its indemnity obligation to the extent TXOne Networks was prejudiced by such failure; (b) sole and complete control and authority over the defense, negotiations, and settlement of such IP Claim; and (c) reasonable requested information, cooperation and assistance, at TXOne Networks' expense, with regard to the defense, negotiations, or settlement of such IP Claim. Without Company's consent, TXOne Networks will not settle with respect to Company, any IP Claim to the extent such settlement requires that Company admit any liability on the part of Company with respect to such IP Claim or pay any money therefor. Company may participate in the defense of any IP Claim at its cost with counsel of its selection.

11.2 Exclusions. TXOne Networks will have no obligation under this Section 11 or otherwise with respect to any IP Claims arising out of, based on, or related to the following: (a) any use of the Software not in accordance with this Agreement or its Documentation; (b) any modification of the Software not made by TXOne Networks; (c) TXOne Networks' compliance with Company's design, equipment or software requirements, specifications or instructions; (d) any use of any version, revision, or enhancements of the Software by Company other than the most current non-infringing release made available to Company at no charge if such current version would have avoided the IP Claim; (e) any Open Source Software; or (f) any use of the Software in combination with other products, equipment, software, services, data, or technology not specified by the applicable Documentation where the IP Claim would not have arisen or would have been avoided but for such combination.

11.3 IP Claim Mitigation. Should any Software at any time become, or in TXOne Networks' opinion be likely to become, the subject of an IP Claim, TXOne Networks shall have the right, at its sole option to: (a) procure for Company the right to continue using the Software as licensed hereunder, or (b) modify the Software such that it no longer is the subject of an IP Claim, while maintaining substantially the same functionality of the unmodified Software. If neither (a) or (b) are commercially practicable in TXOne Networks' opinion, TXOne Networks may terminate this Agreement as to such Software and any related license granted hereunder as to the Software upon written notice, in which event Company will cease further

use of the Software and return or uninstall and irrevocably destroy all copies of the subject Software (and Documentation) and, thereafter, TXOne Networks will promptly refund to Company, the prorated portion of the license fees paid by Company for the remainder of any unexpired Subscription Period for such Software(s) or, if and to the extent such Software are licensed for a Perpetual Period, TXOne Networks shall refund to Company all license fees paid by Company for the affected Software as amortized on a straight line basis over a three (3) year period. The Parties agree that any termination hereof in accordance with this Section 11 shall not be treated as a breach of this Agreement by TXOne Networks and shall not entitle Company to any claim for damages, losses, or expenses of any kind or nature arising from or related to such termination including for replacement cost or loss of use of the Software or any lost profits, savings, or revenue arising from or related to the Software. **This Section 11 states TXOne Networks' sole and exclusive obligation and liability to Company, and Company's sole and exclusive right and remedy against TXOne Networks, for any IP Claim. Except as set forth herein this Section 11, Company acknowledges and agrees that no indemnity is given by TXOne Networks with respect to any Software or Appliance and TXOne Networks specifically denies and disclaims any obligation to indemnify Company and/or its Affiliates from and against any other matter or thing in any event or circumstance.**

12. **Personal Data.** Company acknowledges that Products licensed hereunder may utilize applications, tools, and procedures to, among other things, receive, collect, transfer, store, and use Company Data (some of which may be GDPR Data and/or Personal Data). TXOne Networks has implemented and will maintain commercially reasonable technical, organizational and administrative security measures designed to protect the Personal Data it processes for Company from unauthorized access and misuse while under TXOne Networks' custody and/or control. TXOne Networks restricts its personnel from processing of Personal Data without proper authorization and imposes appropriate obligations upon its personnel, regarding confidentiality, data protection, and data security of such Personal Data. For additional information on the foregoing, please consult and review the Documentation for each licensed Product, TXOne Networks' Global Privacy Notice, and the additional external information therein referenced in the Global Privacy Notice, as well as Section 2.7 that is applicable to Company's Personal Data in most instances.

13. **Assignability.** Subject to limited transfer rights of Standalone Software offered in Section 2.1, Company may not assign all or any portion of this Agreement, whether by contract, operation of law or otherwise, to any person, including any Affiliate, without written approval from TXOne Networks, which approval may be withheld or conditioned at the sole discretion of TXOne Networks. Any purported assignment by Company shall be void. TXOne Networks may assign this Agreement, in whole or part, and delegate its obligations to qualified third parties or TXOne Networks Affiliates, provided that no delegation of its obligations shall relieve TXOne Networks of its obligations under this Agreement.

14. **Waiver; Severability; Enforcement.**

14.1 **Waiver.** A Party's failure or delay in enforcing any provision of this Agreement will not operate as a waiver of the right to enforce that provision or any other provision of this Agreement at any time. No waiver of any provision of this Agreement will be valid unless in writing, specifying the provision to be waived, and signed by the Party agreeing to the waiver.

14.2 **Severability; Enforcement.** The unenforceability of any provision or provisions of this Agreement shall not impair the enforceability of any other part of this Agreement. In the event that any provision of this Agreement conflicts with the governing law under which this Agreement is to be construed

or if any such provision is held invalid or unenforceable in whole or in part by a court with jurisdiction over the Parties, such provision shall be deemed to be restated to the minimum extent necessary to render it valid, enforceable, and insofar as possible, reflect as nearly as possible the original intentions of the Parties. The remaining provisions of this Agreement and the application of the challenged provision to persons or circumstances other than those as to which it is invalid or unenforceable shall not be affected thereby, and each such provision shall be valid and enforceable in accordance herewith.

15. Export/Import Control. The export or re-export of Software (and related technical data and services) and/or an Appliance (collectively “**Controlled Technology**”) is subject to Applicable Laws with respect to the export (including “deemed export” and “deemed re-export” regulations) and import of Controlled Technology by Company and/or its Affiliates. Company agrees that it will at all times comply with each Applicable Law (now or hereafter in effect) that applies to direct/indirect export, re-export, or import of Controlled Technology by Company and/or its Affiliates and/or the performance of Company and/or its Affiliates hereunder that: (a) requires a license to, or otherwise prohibits the, export, re-export, import, diversion, or disclosure of such Controlled Technology; (b) prohibits or restricts sale, use, or access to certain technology/goods/services, to specified countries, and/or by defined persons; or (c) restricts or prohibits end-use of such Controlled Technology related to the development, production, use, or proliferation of nuclear, chemical or biological weapons, missiles, or other weapons of mass destruction. Company represents and warrants to TXOne Networks that neither Company nor any of its Affiliates are under the control of, located in, or a resident or national of any country or region subject to any embargo or applicable trade sanction and are not a prohibited person or entity as defined in any Applicable Law.

16. Government Agency Use. All Products (including Software and Appliances) and accompanying Documentation have been developed solely at private expense by TXOne Networks and/or its suppliers/licensors/resellers, consisting of commercially available computer software, commercially-available hardware and appliances, and commercially-available documentation. The acquisition, deployment, duplication, disclosure, and use of Software (as Updated) by any Government Agency may be subject to mandatory Applicable Laws, *however*, except for the limited license granted in Section 2 above to any Software, no right, title, or interest in or to any Software (or Updates and Documentation) is granted or transferred hereunder to any Government Agency licensing such Software. If any Government Agency requires or needs greater or different rights in or to Software other than those rights that are granted in Section 2, the Parties will discuss such additional requirements and the additional fees/charges applicable thereto, and if additional or different rights are agreed, the Parties will enter into a specific written agreement with respect thereto. In this Section, “**Government Agency**” shall mean a national, federal, provincial, state, municipal, and/or local governmental agency or entity in the Territory that acquires Products from TXOne Networks under this Agreement for use by such Government Agency.

17. WEEE Directive. TXOne Networks complies with the WEEE regulations.

18. Force Majeure. If a Party’s performance of any non-monetary obligation under this Agreement is prevented by earthquake, flood, fire, storm, natural disaster, act of God, war, terrorism, cyber-attacks, armed conflict, labor strike, lockout, or boycott or the incident is deemed as the Force Majeure by the applicable local government or court, the affected Party will be excused from such performance, provided the affected Party:

(a) provides prompt written notice of such interference, the nature of such interference and the expected duration of such interference to the other Party; (b) takes all steps reasonably necessary under the circumstances to mitigate the effects of the interfering condition; and (c) resumes performing its affected

obligations hereunder promptly following the removal of such interfering condition. The other Party will be relieved from performing its affected obligations under this Agreement for the duration of such interference. Such delay or failure shall not constitute a breach of this Agreement.

19. No Third-Party Beneficiaries. To the maximum extent permissible by written waiver, disclaimer, limitation, and/or exclusion under Applicable Laws, this Agreement is entered into solely between and for the benefit of, and may be enforced only by, the Parties hereto and no third party shall have any right/benefit hereunder, whether arising hereunder, under any statute now or hereafter enacted (such as Contracts (Rights of Third Parties) Act of 1999 in the UK and similar laws enacted in Singapore, New Zealand, Hong Kong S.A.R., and certain states of Australia, the application of each of which is hereby barred and disclaimed), or otherwise. This Agreement does not, and shall not be deemed to, create any express or implied rights, remedies, benefits, claims, or causes of action (legal, equitable or otherwise) in or on behalf of any third parties including employees, independent consultants, agents, and Affiliates of a Party, or otherwise create any obligation or duty to any third party; *provided, however*, notwithstanding anything contained herein this Agreement to the contrary, TXOne Networks' hardware suppliers, software licensors, and Resellers shall be intended third party beneficiaries for the exclusions, limitations, and disclaimers with respect to Products as stated in Sections 5.2, 9.4, and 10 of this Agreement.

20. Term; Survival

20.1 Term; Unauthorized Use Following Expiration or Termination. This Agreement and the license rights granted hereunder to: (1) any Standalone Software or Test Software licensed for a Subscription Period shall remain in effect until the term of the license (as may be reflected on the applicable License Certificate) automatically expires; but (2) applicable Standalone Software (and any Updates thereto purchased by Company) that is expressed by TXOne with written form or official system record licensed for a Perpetual Period shall continue to be licensed indefinitely hereunder (each a "**Term**"); *provided, however*, the Term is subject to earlier termination by either Party as set forth in this Section or elsewhere in this Agreement. The Company acknowledges and understands that by using the Software stated herein, the Company shall be binding to this Agreement. Any early termination of this Agreement means the Company shall not be able to use the Software hereafter. Notwithstanding the foregoing, TXOne Networks may terminate this Agreement to any or all Software licensed hereunder, effective upon written notice to Company, if Company, materially or persistently breaches this Agreement as to such Software and such breach: (a) is incapable of cure such as breach of, or noncompliance with, TXOne Networks' intellectual property rights; or (b) if being capable of cure (such as non-payment of monies then-past-due to TXOne Networks or a Reseller for Product), remains uncured for fourteen (14) days after TXOne Networks provides notice of such breach to Company. In addition, TXOne Networks may, at its option, terminate this Agreement as to any or all Software licensed hereunder if permitted under Applicable Law, effective immediately, if Company files, or has filed against it, a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law, makes or seeks to make a general assignment for the benefit of its creditors or applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.

Upon expiration or earlier termination of this Agreement as to all or a portion (as the case may be) of Software licensed hereunder, the licenses granted hereunder to such expiring or terminating Software (and its Documentation) shall immediately terminate, and Company shall immediately cease use thereof and will uninstall and destroy all copies of the Software (and Documentation) and certify the same to TXOne Networks in writing. No expiration or termination shall affect Company's obligation to pay all charges and fees that may have become due before such expiration or termination or entitle Company to any partial or full refund of

amounts already received by TXOne Networks, except as specifically set forth in Sections 9.1 and 11.3. Any continued use of the Software (and/or its Documentation), or the provision to other persons for such use, by the Company constitutes unauthorized use thereof; to the maximum extent permitted by applicable law, the Company makes no representations or warranties, and otherwise has no obligations to the Company or any other person (including without limitation those in this Agreement), with respect to such unauthorized use. TXOne reserves the right to pursue all rights and remedies available to it with respect to any such unauthorized use.

20.2 Survival. Notwithstanding anything herein to the contrary, the following provisions will survive any termination or expiration of this Agreement: Section 8 (Confidentiality/Non-Disclosure); Section 9 (Limited Warranty – Software); Section 10 (Exclusions from and Limitation of Liability; Maximum Liability); Section 11 (Intellectual Property Indemnity); Section 21 (TXOne Networks Licensing Entity; Governing Law; Dispute Resolution; Arbitration; Venue/Jurisdiction); and all other provisions that by their nature are intended to survive such termination or expiration.

21 TXOne Networks Licensing Entity; Governing Law; Dispute Resolution; Arbitration; Venue/Jurisdiction.

21.1 General; TXOne Networks Licensing Entity. The Parties agree that the specific TXOne Networks entity that is the Party to this Agreement for each individual transaction shall be the TXOne Networks entity/Affiliated that is stipulated below and such entity shall be conclusively be deemed for all purposes, to be the TXOne Networks Party to this Agreement and to the Data Processing Addendum, and the publisher/licensor of Software, and/or supplier of Appliances, that is procured by Company hereunder (in each instance, the “**Licensing Entity**”). The Parties agree that the governing law (without giving effect to its rules and principles relating to conflict of laws) as determine and agreed in this Section 21 shall solely and exclusively apply to and govern, interpret, and sets forth all of TXOne Networks’ and Company’s respective rights, duties, and obligations arising from, or relating in any manner to, the subject matter of this Agreement and the Products provided/secured hereunder. The United Nations Convention on Contracts for the International Sale of Goods does not apply to, and is specifically excluded from application hereto, in any event or circumstance.

21.2 North America: If Company is located (as evidenced by the License Certificate) in the United States of America or Canada, the Licensing Entity of Product is stipulated as: TXOne Networks USA Inc., with its business address at 225 East John Carpenter Freeway, Suite 450, Irving, TX 75062, USA. The Parties agree that this Agreement is solely and exclusively governed by the laws of the State of New York, USA. The Parties agree that the provisions of the Uniform Computer Information Transactions Act (“UCITA”), as it may have been or hereafter may be in effect in any jurisdiction, shall not apply to this Agreement, and the Parties waive any and all rights they may have under any laws(s) adopting UCITA in any form. The Parties mutually agree to and do hereby irrevocably submit and consent to the sole and exclusive *in personam* jurisdiction of: (a) the United States District Court for the Southern District of New York, located in the County of New York, but if such court shall determine that it does not and cannot have subject matter jurisdiction over such action, matter, or proceeding; then to, (b) the Supreme Court of the State of New York, located in the County of New York that will have such sole and exclusive *in personam* jurisdiction over such action, matter, or proceeding. In Canada, the following language shall apply hereto: The Parties have required that this Agreement be drawn up in English and have also agreed

that all notices or other documents required by or contemplated in this Agreement be written in English. *Les Parties ont requis que cette convention soit rédigée en anglais et ont également convenu que tout avis ou autre document exigé aux termes des présentes ou découlant de l'une quelconque de ses dispositions sera préparé en anglais.*

21.3 Europe (as limited below) and Israel: If Company is located (as evidenced by the License Certificate) in **European Economic Area (EEA)**, the **United Kingdom** if such be necessary for post-Brexit separation, **Switzerland, or Israel**, the Licensing Entity of Product in all instances is stipulated by TXOne Networks Europe B.V., a registered branch office at High Tech Campus 5, 5656 AE Eindhoven, Netherlands. The Licensing Entity and Company referenced in this Section 21.3, agree that this Agreement, the performance of the Parties hereunder, and all disputes arising out of or related hereto will be governed by and construed solely in accordance with the laws of the Netherlands. The Parties irrevocably consent and agree to the sole and exclusive in personam jurisdiction of the courts sitting in the Netherlands with respect to any dispute that cannot be resolved by the Parties and all proceedings with respect thereto shall be litigated and determined solely and exclusively in such courts. Each of the Parties represents and agrees that such in personam jurisdiction is reasonable and fair and hereby waives any objection which it may now or hereafter have based on improper venue or forum non conveniens in such courts.

21.4 Asia Pacific: If Company is located (as evidenced by the License Certificate) in **Australia, New Zealand, India, Malaysia, Singapore, Vietnam, Indonesia, Taiwan, Republic of Korea, People's Republic of China, Hong Kong SAR, Macau SAR, the Philippines, or Thailand**, the Licensing Entity of Product in all instances is stipulated as: TXOne Networks Inc. at 5F., No. 6, Lixing 6th Rd, East District, Hsinchu City 300096, Taiwan.

.1 If Company is located (as evidenced by the License Certificate) in **Australia or New Zealand**, this Agreement is governed by the laws of New South Wales, Australia. The Parties agree that the courts located in New South Wales shall have exclusive jurisdiction over all disputes arising out of or relating to this Agreement or its subject matter.

Notwithstanding anything contained in Section 9 of this Agreement, if the Australian Competition and Consumer Act 2010 is applicable to the instant transaction (and not otherwise subject to an effective exclusion or waiver under Section 9) and TXOne Networks is in breach of a guarantee implied by such Act, TXOne Networks's liability is limited to the repair or replacement of goods/software or the supply of equivalent goods/software, or the payment of the cost of replacing the goods/software or having the good/software repaired where reasonable. Where a guarantee relates to the right to sell, quiet possession, or clear title of a good/software under schedule 2 of the Competition and Consumer Act, then none of these limitations apply.

.2 If Company is located (as evidenced by the License Certificate) in **Hong Kong SAR or Macau SAR**, this Agreement is governed by the laws of Hong Kong SAR. The Parties agree that the courts located in Hong Kong SAR shall have exclusive jurisdiction over all disputes arising out of or relating to this Agreement or its subject matter.

.3 If Company is located (as evidenced by the License Certificate) in **Taiwan**, this Agreement is governed by the laws of Taiwan, without regard to its principles of conflicts of law. The Parties agree that the courts located in Taiwan shall have exclusive jurisdiction over all disputes arising out of or relating to this Agreement or its subject matter.

4 If Company is located (as evidenced by the License Certificate) in **the Republic of Korea**, this Agreement is governed by the laws of the Republic of Korea. The Parties agree that the courts located in the Seoul Central District Court of the Republic of Korea shall have exclusive jurisdiction over all disputes arising out of or relating to this Agreement or its subject matter.

5 If Company is located (as evidenced by the License Certificate) in **Singapore, India, Indonesia, Malaysia, the Philippines, Vietnam, or Thailand**, this Agreement and the agreement to arbitrate is governed by the laws of Singapore, without regard to its principles of conflicts of law. The following **Irrevocable Mandatory Agreement to Arbitrate** with respect to matters set forth in and governed by this **Section 21.4.5** (only) is hereby irrevocably agreed by the Parties:

a. The Parties irrevocably agree that each controversy, dispute, or claim in any way arising from, pertaining to, or in connection with this Agreement, any Products, or the performance/non-performance of both or either Party (each a “**Dispute**”) will be solely and exclusively resolved by mandatory and binding arbitration that is administered by Singapore International Arbitration Center (“**SIAC**”) which will be held and conducted in Singapore in accordance with the Arbitration Rules of Singapore International Arbitration Center (“**SIAC Rules**”) on the Publication Date. The arbitration award will be final and binding for the Parties without appeal and will be in writing and set forth the findings of fact and the conclusions of law. In arriving at their award, the arbitrators shall make every effort to find a solution to the Dispute in the language of this Agreement and shall give full effect to all provisions hereof. However, if a solution cannot be found in the language of this Agreement, the arbitrators shall exclusively apply the substantive law of Singapore existing on the Publication Date hereof and are specifically divested by the Parties of any power or authority to: (i) apply any principles that would permit them to ignore this Agreement, or (ii) apply the law of any jurisdiction other than Singapore.

b. The number of impartial arbitrators will be three (3), with each Party being entitled to appoint one arbitrator. The two (2) arbitrators appointed by the Parties will appoint a third arbitrator (who must be a lawyer with a multinational law firm and have a minimum of ten (10) years of experience in the field of computer software development, licensing, and distribution) who will act as chairman of the proceedings, or if no agreement is reached by such arbitrators within twenty (20) days of the last to be appointed, then the post of chairman will be filled by the president of SIAC at the request of either Party. Vacancies in the post of chairman will be filled by the president of SIAC in accordance with the SIAC Rules. Other vacancies will be filled by the respective nominating Party. Proceedings will continue from the stage they were at when the vacancy occurred.

c. If one of the Parties refuses or otherwise fails to appoint an arbitrator within thirty (30) days of the date the other Party appoints its arbitrator, the Parties irrevocably agree that the first appointed arbitrator will be the sole arbitrator, provided that such arbitrator was validly and properly appointed in accordance with the SIAC Rules unless such sole arbitrator appointment shall be void or voidable under SIAC Rules, in which event a sole arbitrator having the qualifications of the chairman will be appointed by the president of SIAC in accordance with the SIAC Rules.

d. All proceedings will be conducted, including all documents presented in such proceedings, in the English language. The English language version of this Agreement prevails over any other language version.

.6 If Company is located (as evidenced by the License Certificate) in the **People’s Republic of**

China, this Agreement is governed by the laws of China, without regard to its principles of conflicts of law. The following **Irrevocable Mandatory Agreement to Arbitrate** with respect to matters set forth in and governed by this **Section 21.4.6** (only) is hereby irrevocably agreed by the Parties:

a. The Parties irrevocably agree that each Dispute arising from or related to this Agreement, any Products, or the performance/non-performance of both or either Party will be finally settled by arbitration that is administered by Beijing Arbitration Commission (“**BAC**”) which will be held and conducted in Beijing in accordance with the Arbitration Rules of Beijing Arbitration Commission (“**BAC Rules**”) on the Publication Date. The arbitration award will be final and binding for the Parties without appeal and will be in writing and set forth the findings of fact and the conclusions of law.

b. The number of arbitrators will be three (3), with each Party being entitled to select one arbitrator or authorize the chairman of the BAC to appoint one arbitrator. The third arbitrator shall be selected jointly by the Parties or nominated by the chairman of the BAC in accordance with a joint mandate given by the Parties. The third arbitrator shall be the presiding arbitrator.

c. All proceedings will be conducted, including all documents presented in such proceedings, in the Simplified Chinese language. The Simplified Chinese language version of this Agreement prevails over any other language version.

21.5 Japan. If Company is located (as evidenced by the License Certificate) in Japan, the Licensing Entity of Product in all instances is stipulated by TXOne Networks Japan GK. The Parties agree that this Agreement is governed by the laws of Japan, and that the courts located in Tokyo shall have exclusive jurisdiction over all disputes arising out of or relating to this Agreement or its subject matter. The English language version of this Agreement prevails over any other language version.

21.6 Other Countries in the Territory Not Listed Above. If Company is located in any country or region not listed in any other subsection of this **Section 21** (as evidenced by the License Certificate), the Licensing Entity of Product in each instance is stipulated as the TXOne Networks Affiliate stated in the License Certificate. In each such instance, the Parties agree that this Agreement, the performance of the Parties hereunder, and all disputes arising out of or related hereto will be governed by and construed solely in accordance with the laws of England and Wales. The Parties irrevocably consent and agree to the sole and exclusive *in personam* jurisdiction of the courts of England with respect to any dispute that cannot be resolved by the Parties and all proceedings with respect thereto shall be litigated and determined solely and exclusively in such courts. Each of the Parties represents to the other Party and agrees that such *in personam* jurisdiction is reasonable and fair and hereby waives any objection which it may now or hereafter have based on improper venue or *forum non conveniens* in such courts.

21.7 Provisional Remedies; No Waiver. Notwithstanding the Parties agreement to arbitrate in Sections **21** as the case may be, a Party may apply at any time to any court or courts having jurisdiction over the relevant Party or Parties for an order (that is NOT dispositive or final of any Dispute), including, but not limited to, an ex parte temporary restraining order, temporary injunction proceedings, or other provisional or interim/ancillary remedies or equitable relief (each a “Temporary Action”) seeking protection: (1) of its Confidential Information provided

hereunder as described in Section 8; or (2) from a breach of or non-compliance with any Software license grant in Section 2 of this Agreement or from infringement, misappropriation, or a violation of such applying Party's intellectual property rights forming a part of any Product or otherwise, including any and all rights protectable under intellectual property laws anywhere in the world such as (by way of example) patent, copyright, trade secret, and trademark law; provided, however, no such Temporary Action shall be a final disposition of any matter to be submitted to arbitration nor it shall compromise, limit, or avoid the sole and exclusive right of the arbitrators to decide and finally dispose of all Disputes subject to arbitration hereunder, including, without limitation, granting temporary or permanent relief of the subject of any request for Temporary Action. The institution and maintenance of a Temporary Action shall not be deemed an election of remedies or constitute a waiver or abrogation (in whole or in part) of the agreed right and obligation of each Party, including the plaintiff in any arbitration or Temporary Action, to submit each and every Dispute to arbitration, nor supersede or render inapplicable (all or in part) the agreed compulsory arbitration provisions of this Agreement.

End of the Agreement
